

Sous le soleil exactement

From 21 June 2022
to 16 October 2022

Topical selection of posters from the
collection of the Town of Chaumont

Curatorship — Le Signe
Exhibition design — Kevin Cadinot

The title of the exhibition *Sous le soleil exactement* [Under the sun, exactly], taken from the title song of the tv musical *Anna* (1967) featuring Jean-Claude Brialy, Marianne Faithful and of course Anna Karina, addresses this moving, geographic and shared space.

“Under the sun, not next door, not anywhere” says the song. By showing side by side posters of the Dutailly collection and contemporary pieces, *Sous le soleil exactement* constitutes a space where memories are exposed and the conditions of recalling memories and a reflexion are created.

For the opening of the summer season, we aim at creating an itinerary about the physical and metaphorical symbolism around the sun, its rays, the objects that irrigate in time and space and how artists and commissioners addressed it in different places, different times, yet under the sun, exactly.

Featuring works by Frédéric Teschner, Felix Pfäffli, Na Kim, Annick Orliange,, Formes Vives, Olivier Lebrun, Mathias Schweizer, Daniel Van der Velden, Maureen Mooren and many others.

This summer, come and discover this topical poster exhibition and also Manga and the monographic exhibition by Gilles de Brock “It is not a temporary solution if it works.”
